In order to successfully implement our goals, a home-school partnership is imperative. To achieve our aims we earnestly seek communication, cooperation, and active participation.

Please help your child by encouraging him/her to practice the prayers, as well as the Hebrew reading and comprehension skills learned in school. This is the best way to ensure that the information will become instilled in his/her mind.

At Hebrew School we “live Judaism” with passion and a joy of Holidays and Torah is imparted naturally to our students. We look forward to working together with you and your children. sharing with them a love of Jewish learning.

We look forward to giving your child a Jewish experience that they deserve.

Please feel free to call me with any questions or comments. We look forward to spending exciting times with you and your family.

Tier II

This program offers a more advanced Hebrew and Jewish studies curriculum. The students learn to read Hebrew and gain an appreciation for the who, what, when and why of Jewish life and tradition.

Tier III

The transition from child to adolescence is an important milestone in any child's life. These lessons give a child the tools he or she needs to properly navigate life as a responsible adult. Bar and Bat Mitzvah clubs and lessons will be available too.

Attendance: Attendance The greatest gift that you as a parent can give to your child is constant encouragement. Too much is never enough! The first step in the right direction for parents and children is to realize that attendance is the key to a successful school year.
